*Dominio del Plata's 2006 Crios de Susana Balbo is a brilliant example of Torrontes, Argentina's principal dry white. Its floral scents bring to mind a perfume shop. Its citric flavors are delectable.*

*Ms. Balbo's Torrontes incorporates characteristics of young, light Riesling, Albariño and Viognier. Given a quick chill, it is a show-stopping aperitif. Its spiciness can enhance Thai, Chinese, Korean and Japanese dishes.*
