

CASARENA

Casarena is elevating the Argentine wine industry with their discovery of new terroirs and single vineyard wines from some of the rarest vineyards in the world.

CASARENA WINERY

HISTORICAL LANDMARK

The Casarena winery was built in 1937 and sits in the heartland of Mendoza's historical winemaking region, Lujan de Cuyo.

TRAVEL DESTINATION

- Casarena is located in the 'Silverado Trail' area of Mendoza, sitting alongside other iconic wineries including Vina Cobos, Catena Zapata, Norton and Cheval des Andes.
- Casarena has a 5.0 rating on TripAdvisor and a restaurant that has earned acclaim as a top 10 restaurant in all of Mendoza.

DIGGING DEEPER INTO LUJÁN DE CUYO

VINE TO BOTTLE

- Winemaker Leandro Azin and Agronomist Pablo Ceverino are two of the best young talents in Argentine wine. Their dynamic and collaborative teamwork in the vineyard and winery is why Casarena wines have such authentic expressions of their unique vineyard sites.

ADVANCED SOIL RESEARCH

- Casarena has done intensive soil research on their vineyard sites that are unlike any other terroir found in Lujan de Cuyo. Their research is ongoing and revelatory, as the vines continue to produce award-winning, expressive wines.
