

BODINI

ROSÉ OF MALBEC 2021

A bright and clean, medium-bodied wine that demonstrates the Malbec grape's unique expression as a rosé wine.

WINERY BACKGROUND: Bodini is crafted by winemaker Jimena Lopez and showcases fruit grown by a small estate winery in Mendoza, Argentina. Supporting Bodini encourages the tradition of independent, family-run vineyards and helping them express their unique wines. Bodini showcases grapes with the fullest expression of fruit.

A high-elevation desert, Mendoza has long sunny days, cold nights, low humidity, and natural irrigation from glacial snowmelt from the Andes Mountains. Bodini wines are fresh, fruit-forward, and a great introduction to Malbec.

VINEYARD & WINEMAKING DETAILS: The vineyards are located in Luján de Cuyo, in the coldest part of Agrelo and Perdriel. The deep soil is a sandy-clay texture with the presence of large boulders originally from the Mendoza River thousands of years ago.

TASTING NOTES & FOOD PAIRING SUGGESTIONS: A bright and clean Rosé with aromas of fresh red fruits like cherry and strawberry with subtle notes of spice and pepper. The palate is balanced and medium-bodied. Try with brunch foods such as mushroom quiche or strawberry topped waffles.
